Doubt

Director's Notes

When I first read *Doubt* I was like Wow! This is John Patrick Shanley's best play. He won the Pulitzer Prize and a Tony Award for it. It is a well written play that makes you think and doesn't give you all the answers. I wanted so badly to play the part of Sr. Aloysius. Sr. Aloysius is very manipulative and stern and can only see black and white; there is no grey area for her, yet at the same time you can't help but empathize with her and the rest of the cast as the story unfolds. Shanley is on no ones side. The conclusion of the play doesn't tell you if Fr. Flynn did anything. It's a mystery. Did he or didn't he do anything wrong? At the end of the show you decide. Enjoy.
